

FAIRFIELD SOCCER CAMP

GRADES 1st-8TH

JULY 19-22

Point Pleasant Park Resor Road

All the skills and thrills of soccer are taught through fast-paced drills, skill-building exercises, and game-speed scrimmages. The focus is on developing a young player by refining the skills of dribbling, passing, shooting, and ball control in order to facilitate young athletes to play with confidence.

Our goal is to provide a fun in-depth soccer experience emphasizing fundamentals in order to allow our campers to reach their full potential.

Each camper will receive specific instruction on how to play the game and how to improve themselves both on and off the field. Each camper's skills and techniques will be improved through individual/group instruction, drills, and game experience. Our goal is for our campers to learn new skills as well as to improve upon those they already have.

STAFF

The staff, which is headed up by Heather Fischer (FHS GIRLS VARSITY COACH), has 100 + years of playing and coaching experience. The staff is highly skilled, enthusiastic, and experienced in every aspect of the game. The Camp staff offers correct demonstrations as well as careful supervision. The campers will also get to interact with several professional players, collegiate and FHS Varsity Soccer players as well as FHS Varsity Soccer Alumni.
