TEAMS STILL NEED PLAYERS FOR SPRING

Three of our younger teams are in need of players to fill out their spring rosters. If you know any players that meet the age requirements please make sure they are aware of the upcoming tryout dates and/or have them call the listed contact person:

U-9 Boys Red Devils White
U-9 Boys Red Devils Black

Above contact Brian Scowden at bscowden1234@yahoo.com

U-9 Girls Fear White
Above contact Scott Tamm at stamm@cinci.rr.com

For these four teams there is a real possibility that the perspective player could train with the team the last couple of weeks of the season and see if Select Soccer was for them or not.

FUND RAISING IDEAS.....AGAIN

Well we only came up with a few good ideas submitted for our Fund Raising Forum,

but if they help your team then it was worth it:

1) **MASC Program Ad Sales:** This is one of the best and easiest ways to generate cash for two great causes....your team and the MASC Tournament! Advertising packets will be going out to each FOSC team administrator the first week of November. Ads can be sold to any area business or organization and the best part is *your team keeps 50% of the ad revenue!!* A fund raising sales item that pays a 50% return is hard to come by, in the past some teams have made as much as \$3,000.00 selling MASC program ads.

2) **Team Garage Sale:** That's right, do a little spring cleaning and have a team garage sale. You will find that advertising your event as a 10 to 15 family sale will bring tremendous traffic and sales. Remember one man's junk is another man's treasure.

3) **Cookie Dough Sales:** Several teams indicated they had great results with this one and with the holidays coming up the timing is right. If you are wondering how to get started email www.gafundraising.com to contact Heidi (Heidi has a daughter on the U11G Fury). This product returns an awesome 40% on sales!!!

TOURNAMENT PLANNING

Over the next couple of months team admins, trainers, and coaches will be determining what tournaments they should play in during the Spring Season. So this weeks question is **“What is the best tournament(s) you team has played in and why?”** Of course we know you will all say the MASC, but please include some other tourneys as well. Email to kahbuckeye@aol.com Subject Line: tournaments

WEBSITE NEEDS YOUR HELP

The official website of the Fairfield Optimist Soccer Club; www.foscsoccer.com needs your help. If you are a team that **won or finished as a finalist** in a FALL TOURNAMENT email us a picture for the website's HALL OF HONOR listed under PHOTOS in the site. Also if your team won or finished as a runner up in multiple tourneys or won their CUSL Division please send a picture from each event as we would like to post them separately. Email all photos to kahbuckeye@aol.com.

US WOMAN IN ACTION NEXT WEDNESDAY

Don't forget that the US Woman's Soccer Team fresh off their Gold Medal performance at the Beijing Olympics will be playing Wednesday, November 5th at Paul Brown Stadium against the Korean Woman's National Team. Tickets start at \$18 and it's a great way for

your young soccer player to see soccer played at a high level.

CREW'S BEST SEASON EVER LEAD TO THE PLAYOFFS

The Columbus Crew wrapped up the regular season with the best record in MLS going 17-7-6 for a total of 57 points. This has given the Crew the top seed in the MLS playoffs which start for the Crew this Saturday at Kansas City against the Wizards. The Crew will be at home against the Wizards on Saturday the 8th at 8pm in Crew Stadium. Tickets are still available if you want to take in this big time professional soccer atmosphere.
