LAST EDITION

This will be the last weekly edition of *This Week in FOSC* until Spring Season Tournaments begin in March. Over the winter This Week in FOSC will be sent out on a bi-weekly or as needed basis. I would like to thank everyone for the positive comments on the newsletter and also for everyone that contributed information about their teams. It has been a pleasure reporting on all the success and accomplishments of the players, trainers, and coaches this season. FOSC continues to make its mark on the both the local and regional soccer scene so please join me this off-season (like there's ever an off-season in soccer) and share some of the successes you have read about these past few weeks with friends, soccer acquaintances, and members of the community. We are FOSC and PROUD OF IT!!!

TEAMS STILL NEED PLAYERS FOR SPRING

Three of our younger teams are in need of players to fill out their spring rosters. If you know any players that meet the age requirements please make sure they are aware of the upcoming tryout dates and/or have them call the listed contact person:

**U-9 Boys Red Devils White
U-9 Boys Red Devils Black**

Above contact Brian Scowden at bscowden1234@yahoo.com

**U-9 Girls Fear White
Above contact Scott Tamm at stamm@cinci.rr.com**

For these four teams there is a real possibility that the perspective player could train with the team the last couple of weeks of the season and see if Select Soccer was for them or not.
