

FOSC Club Minutes
January 12, 2009

In attendance were Nick Goodwin, Terry Kah, Terri Ballinger, Phil Robbins, Melissa Ringgold, Jerri Begley, Jen Wagner, Ed Lizak, Doris Young, Toni Truster, Vince Hall, Nancy Schafermeyer, Rich Schafermeyer, Scott Tamm, Rodney Durbin, Kay Gutierrez, F. Gerardo Ayes, Ron Johnson, Lori burgess, Lori Adams, Carolyn King, Tony King, Jody Gabbard, Sr., Craig Keller, Jill Totten, Laurie Santel, Andy McLaughlin, Nick Waltz, Bill Bernard, Bonnie Asmus, Curt Jackson, Mike Hessling, Kelly Farrell, Brian Scowden and Ann Yungbluth.

Curt Jackson called the meeting to order at 7:38. The minutes were read and approved.

Mike Hessling, acting Registrar, had handouts for the team admins with instructions on using the CUSL system and outlining the registration process. Teams that played in the fall need to email Mike with any adds by January 18. Spring teams (U15 and up) and new teams need to have their registration finished by January 25 – email to Mike. Mike also has the team passwords from last year.

Doug Asmus, Ref Assignor, is again requesting that each team have at least two registered referees. We are still short on officials to ref older team's games.

Bonnie Asmus, Field Assignor, needs to receive practice requests by February 1. She is also suggesting that FOSC teams start working on reschedules for the MASC – reschedule slots are limited to two games per night.

Kelly Farrell, Girls Coordinator, has emailed the scholarship application to all team contacts. Final requests need to be in to either him or Mike Hessling, Boys Coordinator by the first week in February.

Terry Kah, Communications/PR Coordinator, reported that there have been a number of improvements to the website. There will be an admin section that will contain much information for the team admins (including the Coach's Handbook and club minutes). Forms are available from the website also.

Mike Hessling, CUSL Rep, reported that referee fees have increased for the spring season. There is a schedule of the ref fees on the CUSL website. If you need help/information, contact Mike. He also reminded us that the Division 1 teams second round games will need to be self scheduled. If you need help/information, contact Mike.

Ann Yungbluth, MASC Director, reminded everyone to register for the MASC just as they would for any other tournament – the February 23 deadline applies to FOSC teams also. The cost for FOSC teams are \$150 for teams fielding less than 11 players and \$200 for teams fielding 11. Ads are great fundraiser for your team. Fifty percent of what is sold returns to the team. If you have any questions, contact Ann.

The meeting was adjourned at 8:50.

Respectfully submitted by Ann Yungbluth
